OPERATING GENERAL CIRCULAR No.05/25.

Sub: Unauthorized parking of Personal vehicles on Station platforms- Reg.

During recent inspections it is observed that staff are parking their personal vehicles on Station platforms near their offices and other Railway premises which are not designated for parking. Such actions are drawing the attention of the passengers leading to public complaints through social media.

A Twitter complaint was also received on 04.08.2025, at Udgir Station stating that "Parking is available outside, but Officer's vehicles are parked on the platform.

Such practice not only causes inconvenience to the passengers but also creates negative image on the Railways.

In this regard it is instructed that all staff working under your jurisdiction to refrain from such practices, to avoid complaints from passengers and general public and to uphold the image of the Indian Railways.

All supervisors to ensure the same and for the strict compliance.
